Dear Media Representative,  
with your signature you agree with the following conditions for accreditation:

1. Taking photos of any member of the Schumacher family is solely allowed during their participation in the official competition and on the occasion of their attendance at the award or the opening ceremony ("competition photos"). Before and after the competitions, such as for example during the warm up and/or cool down of the horses but also in all other situations, it is not allowed for you to take photos of them on the premises of the host.
2. The competition photos as defined in paragraph 1 may solely be used for editorial purposes in the context of media coverage of the competition and they may solely be published and distributed within this context. The photographer will inform his contractual partners explicitly about the restricted use.
3. Photos showing members of the Schumacher family which are offered to publishing and/or media companies for the purpose of publication, dissemination and public access must – at the same time – be transmitted to the management of the Schumacher family at the attention of Sabine Kehm under [sk@tms0.ch](mailto:sk@tms0.ch). Please state the names of the publishing and media companies to which the photos have been offered and where the photos will be published.
